About Sreeram Institute Of Teachers Education

Sreeram Institutes of Teachers' Education, located in Muguria, District Bajali, is dedicated to providing a holistic and modern day education. We specialise in delivering B.Sc (Bachelors of Science) and B.A. (Bachelors of Arts) classes. Our mission is to nurture individuals who will emerge as faithful citizens of society through a meticulously polished educational experience.

We are delighted to announce that our institution has obtained all the necessary permissions from the relevant authorities and is now officially affiliated with the esteemed Bodoland University, Kokrajhar. This affiliation further strengthens our commitment to providing quality education, offering our students access to a wider range of resources, faculty expertise, and academic opportunities.

At Sreeram Institutes, our core mission is to foster an environment where individuals can hone their talents and abilities. We are driven by a strong commitment to contribute to our society's prosperity and development by nurturing well-prepared individuals who can make significant contributions.

By emphasising a comprehensive educational approach, and by having a future plan of starting an integrated B.Ed (Bachelor of Education) degrees, which include practical teaching experiences, community service projects, and interdisciplinary coursework, we aim to create a foundation for students that enhances their academic knowledge and instils a sense of responsibility and service towards the community. Our commitment is to produce graduates who are skilled professionals and conscientious citizens dedicated to the betterment of society.

With best regards to all

Dr. Dulal Talukdar

Principal
